

IMPORTANT REQUIREMENT UPON ARRIVAL AT HOTEL

If you are sent to a quarantine hotel upon arrival in Norway, the hotel must register when you arrive on site. You must show the receipt from your entry registration.

- You will have been sent a receipt following completion of your entry registration by email or as a text message to your mobile phone. This is the same receipt that you will have shown when crossing the Norwegian border.
- If you do not have this receipt, you can call the **registration centre on +47 33 41 28 70** who will be able to send you a new receipt.

Covid-19 Regulations Section 5b.

Duty to register upon entry to the country and the entry registration system

Details pertaining to the accommodation used by persons who must stay in a quarantine hotel during their quarantine period in accordance with Section 5 may be entered into the travel entry registration system upon arrival at the quarantine hotel. Once a stay has been registered in the quarantine hotel, the hotel must also register the person's departure.
